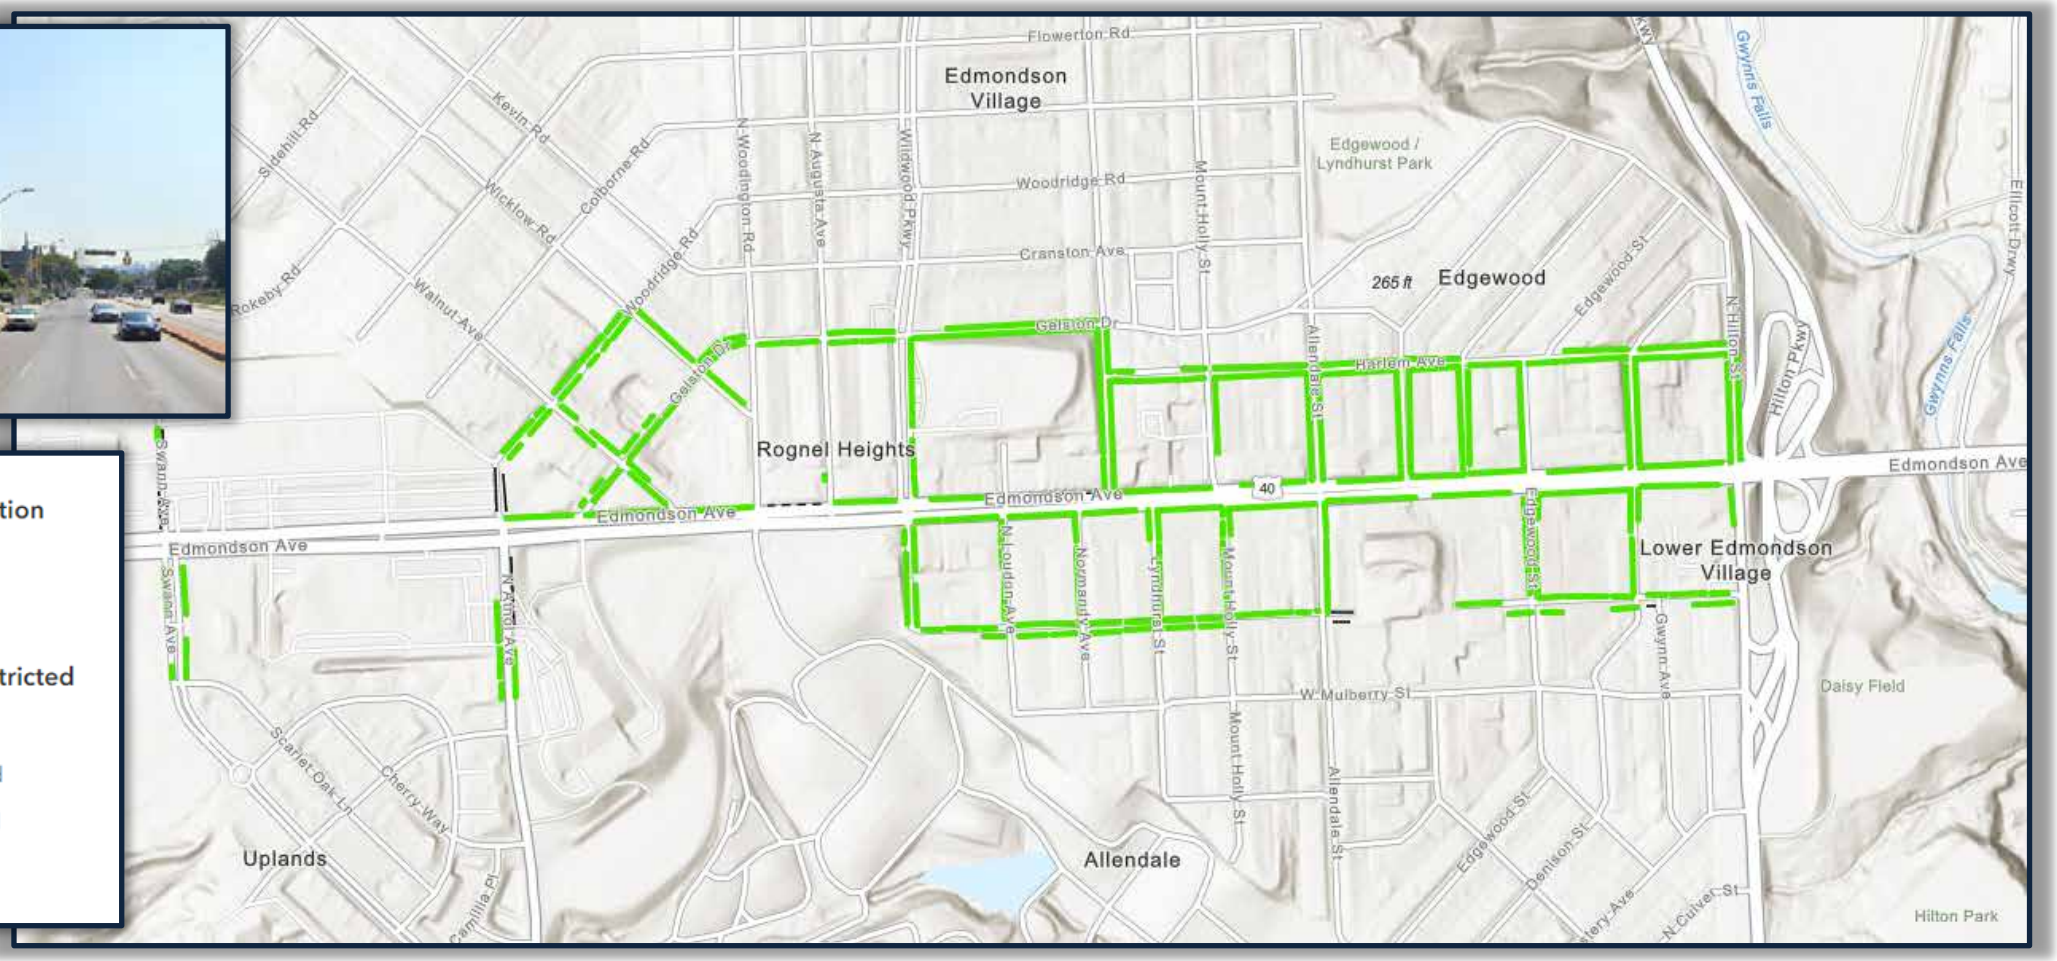
Parking Utilization

Swann Avenue – Hilton Parkway



If the Right Lane was used for a Bus Lane then **35** utilized parking spaces would be relocated. There are **866** unused spaces on blocks nearby.

RAISE – Question

How do you feel about providing more reliable and efficient transit on Edmondson with a dedicated bus lane?

A. Great Idea- Transit should be prioritized in this area.
B. Good- If I know I can find parking a block or so block away.
C. Unsure - Maybe if I could still park on Edmondson during certain hours.
D. Bad Idea!– Drivers and parking should be prioritized over transit service.

Impacts of DBLs- Parking Utilization

Hilton Parkway – West Baltimore MARC

If the Right Lane was used for a Bus Lane then **25** utilized parking spaces would be relocated. There are **693** unused spaces on blocks nearby.

RAISE – Poll
