The same information will be presented at each session.

Meeting materials will be made available on the project website following the meeting.

Locations are accessible for people with disabilities. Please contact the MTA by calling 410-767-9099 TTY 410-539-3497 Maryland Relay users dial 7-1-1 or email info@RAISEBaltimore.com to arrange for: special accommodations; printed material in an alternate format or translated; hearing impaired persons; and persons requesting an interpreter. All requests must be received one week in advance.

Todos los lugares son accesibles para personas con discapacidades. Si necesita adaptaciones especiales, materiales impresos en un formato alternativo o traducidos, servicios para personas con discapacidad auditiva o un intérprete, comuníquese con la Administración de Tránsito de Maryland (MTA) llamando al 410-767-9099 (TTY: 410-539-3497). Los usuarios del Servicio de Retransmisión de Maryland (Maryland Relay) deben marcar 7-1-1 o enviar un correo electrónico a info@RAISEBaltimore.com. Todas las solicitudes deben recibirse con al menos una (1) semana de anticipación.

New to the RAISE Project?

The Project focuses on infrastructure improvements along the CityLink Blue and CityLink Orange routes to provide faster, more reliable transit and improved pedestrian safety.
